Please arrive at the testing center 30 minutes prior to the test time with two (2) forms of identification, an Admission/Confirmation Letter and a photo ID (one with a picture). When checking in, you will sign the roster and fill out necessary forms before being taken to the testing area.

Test results are available online within two to three weeks after the testing window closes. In scheduling your test date, please allow at least ONE MONTH for the test results to reach the Special Education Department by the application deadline for the semester in which you are seeking admission. Although the testing website gives you the option to have test results sent directly to the University of Utah, this is not true. THE TESTING WEBSITE WILL NOT SEND TEST RESULTS DIRECTLY TO THE UNIVERSITY. When you access/receive your Praxis test scores, PLEASE MAKE A COMPLETE HARD COPY AND SUBMIT TO THE SPECIAL EDUCATION DEPARTMENT.

For more assistance on the test results, go to https://www.ets.org/scores or go to: https://www.ets.org/faq_test_takers. For individuals with Disabilities, go to https://www.ets.org/disabilities/test_takers/.
