

Student grant support

For teachers of students with visual impairments interested in becoming a certified **Orientation and Mobility (O&M) instructor**.

- Applicants must hold (or acquire prior to entering a cohort) a Utah Special Education License/Visual Impairments Endorsement (K-12) or a Utah Preschool Special Education License/Visual Impairments Endorsement (Birth-5).
- The grant provides a \$6,600 stipend.
- The endorsement program requires the completion of 5 courses/a total of 17 credit hours, including the required practicum hours (tuition cost is \$572 per credit hour).
