

Admission Committee
Proposed Interview Questions for International Students

International students would be asked to contact the program coordinator in their desired area of study. The purpose of the interview would be to provide an additional assessment of the applicant's ability to communicate orally in English.

Proposed Questions

1. What experience do you have in speaking, reading, and writing in English?
2. What experience and background do you have in working with children or adults with disabilities?
3. What are your immediate professional goals after you receive your degree?
4. Why did you apply to the Department of Special Education at the University of Utah?
5. What strengths do you have that will help you succeed in the Bachelor/Master degree program?
6. What weaknesses will you need to overcome to succeed in the Bachelor/Master degree program?
