## Taken Concurrently:

Choose one:

- SP ED 6315: Reading Methods I: K-6 (Upper Division Communication and Writing) *May be taken prior to or concurrently with EDU 6314 or EDU 6316*
  - Credit Hours: 3
  - Term Offered: #

Option:

- EDU 6314: Reading Practicum K-3: Early Steps *May be taken after or concurrently with EDU PS 6315*
  - Credit Hours: 1
  - Term Offered: #

- EDU 6316: Reading Practicum K-3: Next Steps *May be taken after or concurrently with EDU PS 6315*
  - Credit Hours: 1
  - Term Offered: #

- EDU 6321: Reading Methods II: K-6 (Upper Division Communication and Writing) *Pre-requisite ED PS 6315 – May be taken prior to or concurrently with EDU 6321*
  - Credit Hours: 3
  - Term Offered: #

- EDU 6321: Reading Practicum 4-6: Higher Steps *May be taken after or concurrently with EDU PS 6321*
  - Credit Hours: 1
  - Term Offered: #

Optional:

- SP ED 5020: Special Education Globalization and International Perspectives
  - Credit Hours: 3
  - Term Offered: F,S

Other upper division course on Cultural or Linguistic Diversity as approved by the student’s assigned advisor or the departmental advisor.
Specialization in Visual Impairments (38 Credit Hours) | Credit Hours | Term Offered*
--- | --- | ---
SP ED 6410 | Introduction to Visual Impairments | Pre-requisite for all VI Specialization Courses | 1 | U
SP ED 6420 | Social and Psychological Implications of Visual Impairments | 2 | U
**Taken concurrently:**
SP ED 6430 | Ocular Disorders and Examination Techniques | 2 | F
SP ED 6432 | Educational Implications for Individuals with Low Vision | 2 | F
**Taken concurrently:**
SP ED 6441 | Literary Braille Codes | 3 | F
SP ED 6443 | Field Studies in Visual Impairments I | 1 | F
SP ED 6442 | Advanced Braille Codes and Abacus Instruction | Pre-requisite SP ED 6441 | 4 | S
SP ED 6450 | Teaching Children who are Deafblind | 3 | U
SP ED 6460 | Introduction to Orientation and Mobility | 2 | U
**Taken concurrently:**
SP ED 6470 | Instructional Management for Students with Visual Impairments | Pre-requisites SP ED 6410, 6420, 6430, 6441, 6443, 6450, 6460 | 3 | S
SP ED 6444 | Field Studies in Visual Impairments II | 2 | S
SP ED 6480 | Assistive Technology for Students with Visual Impairments | 3 | U
**Optional:**
SP ED 6490 | Instructional Strategies for Young Children with Visual Impairments | 3 | S
SP ED 6500 | Student Teaching: Students with Visual Impairments (5-21) | 10 | F,S

Advanced Graduate Core (11 Credit Hours) | Credit Hours | Term Offered*
--- | --- | ---
SP ED 6054 | Professional Writing in Education | 2 | F,S,U
SP ED 6610 | Introduction to Research Design | 3 | U
ED PS 6005 | Choose at least 6 additional hours: Writing Instruction and Assessment: K-6 (Upper Division Communication/Writing Requirements) | 3 | #
**Taken Concurrently:**
EDU 5370 | Elementary Science Methods | 3 | #
ED PS 5442 | Integrating Technology into Instruction II: Science | 1 | #

Other Study Requirements ^

Establish a Supervisory Committee
A student must establish a three-member supervisory committee to advise him or her in completing all study requirements. Upon admission to the Department of Special Education, the student must meet with his/her appointed advisor to establish a timeline for completion of study requirements, including a timeline for establishing the supervisory committee and identifying the committee chair. Master’s supervisory committees consist of three faculty members (including tenure-line, career-line, visiting, and emeritus). Unless prior approval has been obtained from the Graduate School, the chair of the supervisory committee and the majority of committee members must be tenured/tenure track faculty in the Department of Special Education. The student may choose to appoint one member of the committee from another department or college at the University of Utah; however, a committee member from another department or college at the University of Utah cannot serve as committee chair. Exceptions to these guidelines must be recommended and justified by the Chair of the Department of Special Education, and approved by the Dean of The Graduate School. Generally, a faculty member from outside of the Department of Special Education should have knowledge and expertise in the student’s area of study. All committee members must hold a...
Qualifying and Comprehensive Examinations
The qualifying exam and the comprehensive exam focus on a single topic area identified by the chair of the supervisory committee. The qualifying exam and the comprehensive exam are designed to assess the breadth and depth of the student’s knowledge of the research base in his or her specialization area, the ability to synthesize and integrate the knowledge and skills developed in the specialization area, and the ability to communicate ideas in written and oral form.

Successful completion of the qualifying and comprehensive exams requires the student to demonstrate competency in both written and oral communication. The supervisory committee will advise the student with regard to whether the qualifying exam will be a written response or oral response. If the qualifying exam will be a written response, then the comprehensive exam will be an oral response. Conversely, if the qualifying exam will be an oral response, then the comprehensive examination will be a written response. The written and oral responses are described in the following sections.

The qualifying examination must be successfully completed in order to advance to candidacy for the M.Ed. degree. Students must be registered for a minimum of one (1) credit hour during the semester that they complete the qualifying exam. Further, students must be registered for a minimum of one (1) credit hour during the semester that they complete the comprehensive exam.

Continuous Enrollment
All graduate students must be registered for at least one course from the time of formal admissions through completion of all requirements for the degree they are seeking, unless granted an official leave of absence. Students not on campus and not using University facilities are not expected to register for summer term.

Master Degree Residency Requirement
At least 24 credit hours must be in resident study at the University of Utah. Students are expected to complete their master’s program within four years from the time they are matriculated. Previous graduate work may be applied to the requirements of the program if (a) approved by the student’s supervisory committee, and (b) consistent with University Graduate School Policy.
